from the Equal Opportunities Officer of Department 13

Introducing ourselves – Your new equal opportunities officers

Since May, we—Ann-Kathrin, Selina, Diep, and Sina—have been the new equal opportunities officers for the department. Our goal is to represent the interests of women of all status groups and to actively contribute to equality in the department.

Our tasks include:

- advising the department on personnel matters,
- coordinating the allocation of funds for the advancement of women,
- and planning and implementing events such as discussion groups, workshops, and seminars on the advancement of women.

If you have any questions, concerns, or suggestions regarding gender equality, please feel free to contact us—we look forward to hearing from you!
